Foreword

The dictionary defines a cloud as a visible mass of fog or haze suspended at a height in the air. There are many types of clouds such as the Cirrus, the Cirro-Stratus, the Cumulus and the Nimbus. These clouds each have a different personality in relation to the weather.

The clouds as we have interpreted them in the 1966 edition of the Mesquite-O also have different meanings.

Some of the clouds may be those of bad times but we prefer to think of them as the ones with the silver-linings.

We hope that you have been blessed with the clouds of pleasure and sunshine and not those with rain.

It has been a pleasure to produce this year's edition of the Mesquite-O and we hope it brings you much pleasure and many silver-lined memories.

Memoriam — Dedication

Jesus said unto her, I am the resurrection, and the life: he that believeth in me, though he were dead, yet shall he live:

And whosoever liveth and believeth in me shall never die.

St. John 11: 25-26

MRS. JAUNITA DAVIS

It has been our custom, in recent years, to dedicate the annual only when we felt there was one among us that truly deserved the honor.

We made the decision to dedicate this year's edition to Mrs. Davis a number of months before she passed away. We regret that she did not live to receive the dedication.

Mrs. Davis has been an outstanding teacher, as well as a friend, to many students that have passed through Mesquite High in the past few years.

Despite extreme physical adversity, Mrs. Davis established the Vocational Office Education program in our school this year and did an outstanding job.

Her courageous determination to carry on, when most people would have given up, was an inspiration to all who knew her.

Her presence here is sorely missed, but we trust she lives with the Lord, and with him there is no pain, only happiness.

GARY DENNIS

Gary lost his life in a car accident early this year. He was a sophomore and a promising athlete. His presence at MHS is sorely missed.

THE ABIDING LOVE

It Singeth low in every heart,
We hear it each and all—
A song of those who answer not,
However we may call;
They throng the silence of the breast,
We see them as of yore—
The kind, the brave, the sweet,
Who walk with us no more.

'Tis hard to take the burden up
When these have laid it down;
They brightened all the joy of life,
They softened every frown;
But, Oh, 'tis good to think of them
When we are troubled sore!
Thanks be to God that such have been.
Although they are no more.

More homelike seems the vast unknown
Since they have entered there;
To follow them were not so hard,
Wherever they may fare;
They cannot be where God is not,
On any sea or shore;
Whate'er betides, thy love abides,
Our God, forever more.

—John White Chadwick

MR. L. B. McLARAN

Everyone who know Mr. McLaran was saddened by his death. He had been associated with our school as Tax Assessor for the past sixteen years.

His cheerful personality will be missed by all who knew him.

To one of the cutest guys I know I wish you all the luck with the girls.

Love ya Dottie

FAVORITES

All-School Favorites

CARL COPELAND SALLY WESTMORELAND

Carl with his impish grin and "007½" briefcase is a natural choice for all-school favorite.

Carl has been honored several times by his classmates since Jr. High days. He takes all this with humility and that makes it a double pleasure to feature him as the favorite of M.H.S.

It takes no crown to make this favorite a queen. Sally has really proven to be a member of M.H.S. royalty.

Not only was Sally selected as all-school favorite, but her classmates also selected her as Homecoming Queen as well. She is a majorette and ardent supporter of M.H.S.

Senior Favorites

CHERYL HOLLER BILL FIRNENO

The honor of being chosen as Senior favorites this year was given to Bill Firneno and Cheryl Holler.

Being a favorite among her classmates isn't a new honor for Cheryl, she was also last year's class favorite. Cheryl was also a Drill Team Captain for the 1966 All Stars.

Choosing a senior boy favorite wasn't a difficult task with Bill around. He played varsity football this year and received several honors. Bill is an all-round favorite among M.H.S. seniors.

Junior Favorites

EDDIE PHILLIPS PAT GILBERT

The Junior Class selected Pat Gilbert and Eddie Phillips for the favorite honors this year. Both Eddie and Pat received this same honor last year, so it is obvious they are very well liked by their classmates.

Eddie is an All-American type boy, participating in all phases of athletics, as well as maintaining a straight "A" average. His motto might well be: "Courtesy is Contagious."

Pat leads our school as head-cheerleader and is also active in many other school activities. Her motto could easily be: "If it's worth doing at all it's worth doing well."

Sophomore Favorites

JAMES RENFRO SANDY MCKNIGHT

James Renfro and Sandy McKnight have added another honor to their rapidly growing lists.

Sandy is active in all school activities and serves as secretary of her class.

James played football on the "B" team this year. He shows a lot of promise both on the football field and on the M.H.S. campus.
